River Tees Port Health Authority Completion of the limited assurance review for the year ended 31 March 2024

Dear Ms Fenwick

We have completed our review of the Annual Governance & Accountability Return (AGAR) for River Tees Port Health Authority for the year ended 31 March 2024. On 30 September 2024, we issued an 'interim' report in respect of our review of River Tees Port Health Authority's AGAR for the year ended 31 March 2024. We explained the reasons that we were unable to certify completion of the review at that time. We are now able to certify completion of the review. The final external auditor report and certificate is included for your attention as another attachment to the email containing this letter, along with a copy of Sections 1 and 2, on which our report is based, and a copy of our 'interim' Section 3 report. The smaller authority must publish these documents immediately and at the next meeting consider the final external auditor report and decide what, if any, action is required.

Action you are required to take at the conclusion of the review

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. In summary, on receipt of our final external auditor report and certificate you are required to:

- Prepare a "Notice of conclusion of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose (a Word version is available on request).
- Publish the "Notice" along with the AGAR (Sections 1, 2 & 3) and our attached final report and certificate before 30 September 2024 (or as soon as possible where this date has passed), which must include publication on the smaller authority's website. (Please note that when the statute and regulations were amended in 2014 and 2015, they did not include a requirement for the length of time that for which the Notice must be published. There is no requirement for the Notice to be publicly accessible for 5 years, as there is for the AGAR and the external auditor report and certificate. The previous statute required 14 days; but it is now up to the authority to make this decision).

- Keep copies of the AGAR (Sections 1, 2 & 3) and the attached final report and certificate available for purchase by any person on payment of a reasonable sum.
- Ensure that Sections 1, 2 and 3 of the published AGAR plus the attached final report and certificate, remain available for public access for a period of not less than 5 years from the date of publication.

Fee

We enclose our fee note, on page 4 of this attachment, for the limited assurance review, which is in accordance with the fee scales set by Smaller Authorities' Audit Appointments Ltd which can be found at <https://www.saaa.co.uk/audit-fees/>. This fee is statutory, must be paid and is due immediately on receipt of invoice, please arrange for this to be paid **at the earliest opportunity**.

Additional charges are itemised on the fee note, where applicable. These arise where either:

- we have had to issue chaser letters and/or exercise our statutory powers due to a failure to provide an AGAR by the submission deadline; or
- it was necessary for us to undertake additional work.

Please return the remittance advice with your payment, which should be sent to: PKF Littlejohn LLP, Ref: Credit Control (SBA), 5th Floor, 15 Westferry Circus, Canary Wharf, London, E14 4HD. Please include the reference OT0047 or River Tees Port Health Authority as a reference when paying by BACS.
